

NUDGE OPPORTUNITIES TO SERVE

2025 MISSION TRIPS

Rwanda - March 15 - 28

Participate with Umuryango Children's Network/Bright Future Academy, helping those who have been rescued from the streets and face incredible challenges. Interact with the teachers and students in and out of the classroom, and see the amazing progress of the high school building project. See and participate in what God is doing to transform lives in this growing community in Rwanda.

Inner City Chicago - June 14-21

Serve others as you discover your gifts and talents. Work with 6-10 different ministries and many people in the inner-city of Chicago; homeless, food insecure, children and teens at risk. There are many opportunities to serve, learn and grow for Families with children 7 years and older, teens, and adults. This is trip for just about everyone!

Sierra Leone - June 27-July 7

A rare opportunity to experience traveling to remote Sierra Leone villages to see the people, students, teachers and pastors as well as the schools and churches. Attend the third ever High School Graduation ceremony. This trip is beautiful and wonderful but may be difficult for some as there are many bumpy roads and a hot climate.

Puerto Rico - July 6-12 - High School Mission Trip

Students grades 9-12 have the opportunity to serve on this year's summer International mission trip to Puerto Rico! Students and leaders will fly to San Juan, Puerto Rico on July 6 and spend a week working with Youth Works, partnering with the local community and organizations to help address poverty on the island.

Costa Rica - July 19-26

Deepen relationships and interact with different communities and age groups in Costa Rica. (Including: women, men, children, teens, young adults).

We can truly live out our mission to Love People, by helping the live-in discipleship program for the many Nicaraguan refugees, former gang members and prostitutes that desperately need to see the love of Jesus.

In-House Outreach
